

- Track 1** - Music Introduction
- Track 2** - Ship's Log - The Full Advantage is parked in the AG dock above Shanghai Spaceport, anxiously awaiting her maintenance review.
- Track 3** - Dieter's Dream Destination - Brad and Alex take the lander down to visit Dieter in the medizone. Sandy is there to greet them.
- Track 4** - Clement II - Clement's robotic brain was destroyed near Planet X. Brad and Alex put Clement II's new brain to work on the Full Advantage.
- Track 5** - An Audience with G.A.I.A. - The crew receive notice that a high-ranking A.I. would like to meet with them a.s.a.p. Alex is not amused.
- Track 6** - Giri - The A.I. thinks he's located the home world of the alien they found at Planet X. He makes his case for a joint mission to learn what Earth is dealing with.
- Track 7** - Heading out - Zara and Alex voice their concerns about the mission. Once again there are too many wildcards for a well-planned expedition.
- Track 8** - Journey up the Spiral Arm - Zara interviews the Full Advantage, hoping to understand the psychological changes to the ship's A.I.-mind since its return from Planet X.
- Track 9** - The Trilux System - They arrive at the Trilux star system and soon discover planet Lithom. Brad decides to make contact by going down in the lander.
- Track 10** - The Engineer - Brad and Zara meet Attos. They have much to discuss, and very little time in which to plan their next move.
- Track 11** - Battle of the Mirrors - The Grefim attacks, and the crew race to reach the Full Advantage before it does.
- Track 12** - Giri Null - Giri Null explains his moves and motives.
- Track 13** - Signing off - More questions...
