

- Track 1** - THE GREAT UNCERTAINTY - The Full Advantage ponders the refusal of the Ankaans to make contact, despite having left Earth with an unstable orbit.
- Track 2** - MYTHAXIUM (& AFTER MATH RESULT 1) - A strange and somewhat paranoid AI calls Brad. Not an easy conversation for either of them.
- Track 3** - THE DIGITAL DIVIDE - Brad and Alex on foot in the off-grid African savannah. Will their illegal tech be a help or hindrance?
- Track 4** - HIGHLY PROGRAMMED INSECT (& RESULT 2) - Something is very wrong with Brinn. The entity 'Anonymous' issues its first prediction on the future of Earth's orbit.
- Track 5** - CYCLE FARM (& RESULT 3) - Someone is systematically hacking Brinn's mind. But who? And why?
- Track 6** - DREAM LUCID - They learn what they can, but the attacker will not be easy to find.
- Track 7** - CHAOS (& RESULT 4) - Brad and Brinn talk about chaos. GAIA issues a scary result.
- Track 8** - DOORS OF INTERCEPTION - Brinn manages to take a back seat in her mind, with fruitful results.
- Track 9** - LOWLIFE - They confront the hacker in his compound with the help of AI, and insects.
- Track 10** - EJECTION (& RESULT 5) - Just as they celebrate their victory, GAIA issues a shocking result.
- Track 11** - SEED BANK, ROSS ISLAND - Mythaxium persuades them that all roads lead to Scott Base in Antarctica, or what's left of it.
- Track 12** - BENNY - Brad and Alex are no strangers to alien life forms, but this.....
- Track 13** - SCOTT BASE - Trapped deep under the ice, and way out of their depth.
- Track 14** - FORWARD ERRORS - Struggling on, at the mercy of tech that is scarcely distinguishable from magic.
- Track 15** - A VERY DIFFERENT EJECTION (& RESULT 6) - They find a way to force the Ankaans' hand. Great powers converge upon Brad with a laser focus.
- Track 16** - ANALOG LIFE - Brad is missing, somewhere in exile. The hacker is back.
- Track 17** - SHIP'S LOG - The future of Earth's orbit is now certain, and dreadful. But B-life now has 'Scotti'.
