

- Track 1** - Brinn - Dr Diaz gives a talk on the future of Human biology. Brad listens in attentively.
- Track 2** - A World on Hold - An invisible rogue planet on a collision course with Earth catches everyone by surprise. Why is Brad the last to know?
- Track 3** - A New Subway Exit - The awful truth has sunk in and Earth is in chaos. Earth's Armada departs for the rogue planet.
- Track 4** - Scapegoat - Mobs have bombed Brinn's apartment. Is there anything left to live for?
- Track 5** - Rogue Planet - They go down to inspect one of the many large radio-active craters. They catch a glimpse of something blue below the surface when the machines attack.
- Track 6** - Hard Rain - Brinn returns to the crater and penetrates underground. Clearly this is where everything happens.
- Track 7** - BiAdmiral - They discuss the strange nature of the mysterious BiAdmiral - half AI, half human. Brinn produces evidence for a complex Carbon-based life form.
- Track 8** - Carbon Snob - The Vice-Admiral is not impressed with their findings. And his tone is worrisome. Surely any contribution should be welcomed with open arms?
- Track 9** - Them - Deciphering the machines' language yields frequent references to a third person object, plural, gender unknown. Do the machines work for "them"?
- Track 10** - Another Actor - The BiAdmiral has dropped nuclear bombs on the planet. All information they share is treated with disdain.
- Track 11** - The Devil You Know - In his desperation Brad calls on Solefuge for help. Can this powerful AI's ambitions be aligned with the needs of humanity?
- Track 12** - A Nose for Them - Brinn designs a sensor-molecule to find 'them'. She needs the fleet to distribute the sensors, but to their horror the BiAdmiral announces operation 'Save the Earth'.
- Track 13** - The Sleepers - In a brilliant flash of insight, Brinn manages to find them. With only a few hours left, she rushes to make contact, but Brad finds it difficult to say goodbye.
- Track 14** - Panspermia II - Thousands of craters erupt with rock and plasma. And B-life.
- Track 15** - Brad 2.0 - Brad's brainstate backup awakes in a new body. Change is the hallmark of the new Rogue Era.
